

designed for scientists

LR 1000.64 pH Electrode

/// Data Sheet

pH electrode

Recommended to use in combination with LR 1000.65 pH Electrode receptacle to avoid damaging the probe

designed for scientists

Technical Data

Nominal length [mm]	225
Shaft diameter [mm]	12
Working temperature [°C]	0 - 130
Pressure max. [bar]	10
Cable length [mm]	1000
Weight [kg]	0.1043
